

Technical drawing of a mechanical part, likely a cross-section of a shaft or a similar component. The drawing shows a horizontal shaft with a vertical section line passing through it. The dimensions are labeled as follows:

- d_1 : Diameter of the upper section of the shaft.
- n_1 : Distance from the centerline to the edge of the upper section.
- d_2 : Diameter of the lower section of the shaft.
- n_2 : Distance from the centerline to the edge of the lower section.
- d_3 : Diameter of the lower section of the shaft, measured at a different location.
- h : Height of the lower section of the shaft.
- A dashed line labeled 8, which is a section line, indicating that the part is symmetrical.
